CARY, NC—(June 22, 2013)

Anne and Dan carry the NC placard and flag in the parade of flags at the National Convention in Greensboro, NC. Eight CAP Center directors follow with white flags symbolizing the centers in NC.

#### Hello to all my fellow Exchangites,

What an exciting start to a new year! The NC District Convention and the National Convention were packed with the sights and sounds of Exchange. A great start despite the need to replace our President Elect and our Conventions and Conferences VP. It isn't easy. I know it took a lot of talking to get me to step forward and become President. But we all have to step up. Remember when we first became members and we were gung ho about getting involved? Remember that great feeling of accomplishment we all had when the first project or program we chaired was a success?

This is how I feel. I feel like I have been a member for 14 years and I finally put my big girl dress on.

We all need to evaluate how we can help make Exchange even more successful. We all love what Exchange stands for; let's just make sure we are all doing our part.

Don Wright has a saying "Just One More". I am working on just one more member for my club; just one more club for Exchange; **JUST ONE MORE!!!!!!** If we all pick up this torch and get one more, what a club we would be.

A group I meet with has a saying also, "Together - We can." That is exactly right. Together we are a mighty force. We can make it happen.

Our next conference is Sept. 21<sup>st</sup>--with meetings on the 20<sup>th</sup>--in Hillsborough at the Hillsborough Exchange Club. We are having dinner at the fish fry on Friday night. Our meetings will be held in the Holiday Inn Express on Friday. We have a Board Meeting and a NC District Foundation Meeting. The Foundation Meeting will be first in case we need to make a motion at the board meeting for the Centers. Dan McQueeney, our RVP, will be on hand to do some training and Barbara Orr will also train on The ABC's of Starting a new club. There will be a seminar on Successful Fundraising. I need all District Directors to be at the Board Meeting so we can get the business of Exchange taken care of. That is what we have sworn to do. And anyone at my first meeting saw that we can make our meetings more efficient and quicker. I'm up front and don't want anyone to feel they are just filling a seat. I need your input about all areas of Exchange and no idea will be discarded until we discuss the pros and cons.

See you all on Sept. 20<sup>th</sup> and 21<sup>st</sup>!

**Have a safe trip to Hillsborough and keep Exchange Alive.**

Yours in Exchange,

*Anne Scott*

## North Carolina District Exchange Clubs' Foundation for the Prevention of Child Abuse

**Our Mission: "We are committed to supporting the development of new centers, to encourage standards of excellence in service, and to provide public awareness of the need to prevent child abuse."**

A big thank you to clubs and individuals that contributed to the Foundation for the Prevention of Child Abuse. Nearly \$9,000 was raised at our District Convention! This was doubly important as the Foundation earmarked \$45,000 to maintain Center operations this year as the recession and changing State priorities reduced grants. We will be working to replenish these funds and raise dollars to expand the child abuse effort in the State.

Your NC Foundation also is working to spread the word about our Time Out Teddy mascot and how it can be used to increase fundraising and child abuse awareness – not only here in North Carolina but across the country. Let us know if you want more information.

I have been busy speaking to Clubs in the District. If you would like to hear more about our child abuse prevention effort in N.C., invite me to your Club.

### **Local SCAN Worker Wins National Exchange Club Parent Aide of the Year Award**

GREENSBORO, NC—(July 11, 2013) Sylvia Marrero, a parent aide for Exchange SCAN, won the National Exchange Club Parent Aide of the Year Award. Sylvia has been a parent aide in Forsyth and Stokes Counties since 2011. As a native Spanish speaker she has enabled services to reach many families that had a language barrier. She reaches beyond the job to ensure that families have access to a variety of services. She is equally effective in working in the midst of Winston-Salem or in the rural reaches of Stokes County.

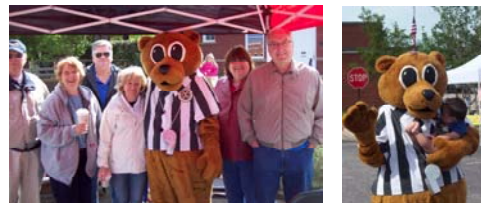

Sylvia has learned firsthand that one can gain strength from adversity. She has a deep optimism and shares this with families. She is constantly learning from her experiences and those of the families she serves. Sylvia views her work as a way of giving back to the community.

The N.C. District congratulates Sylvia Marrero on this honor and is proud of the work she is doing with Exchange SCAN. -George Bryan

### **CAP Center Directors and Staff Play a Major Role at National Convention and Symposium**

GREENSBORO, NC—(July 9, 2013) The National Exchange Club convention occurs simultaneously with the National Exchange Club Symposium for Prevention of Child Abuse. Directors from across the country assembled for three days of workshops to improve services and share ideas. This year's Symposium was organized in part by a committee led by Cynthia Napleon-Hanger, CEO of Exchange SCAN. The staff in N.C. played a major role in the Child Abuse Prevention Breakfast attended by all Exchangites. This presence, along with the great job of our District at the Hospitality Suite, meant that N.C. Exchangites showed a whole lot of good ole' Southern hospitality to the rest of the Nation. -George Bryan

### **Time Out & Peak City Take Child Abuse Prevention to the Streets**

APEX, NC—(April 20, 2013) The Peak City Exchange Club of Apex, NC held its first Believe in the Blue Day event. Club members set up a tent at the Apex Farmer's Market on Salem Street, the main street of the downtown area. The club had already put blue bows on the lamp posts early in April after receiving a proclamation for "Child Abuse Prevention Month" from the Apex Town Council in March. Balloons were added to the lamp posts adjacent to the Farmer's Market and the club's tent was decorated with more blue balloons and the Prevent Child Abuse flag. Members displayed Child Abuse Prevention brochures, activity books for the kids, blue ribbon pins and other materials from the Believe in the Blue Kit from National Exchange. The booth drew attention to child abuse prevention, Believe in the Blue and to the **Peak City Exchange Club**. Time out Teddy was a great hit with the kids and adults alike. He took a stroll down Salem Street and waved at passing cars. Lots of pictures were taken with Time out Teddy and the kids! -Nancy Wakeley

**Dan McQueeney**  
 Region 10 Vice President  
 Charleston, SC & Evening Charleston

Dear North Carolina Exchangites,

Congratulations on all the things you make happen for Exchange in North Carolina. Thank you for being such gracious hosts in Greensboro to such an exciting and successful National Convention. Everyone had a great time and enjoyed the southern hospitality (especially the "moonshine"). Also, thank you for supporting me in my endeavor to represent you on the National Board. I promise to represent you well and look forward to seeing you all at the upcoming District board meeting next month. Elizabeth Grantham is a hard act to follow, but please know that I will do my best to make this year particularly fun and productive for everyone.

The Exchange Club of Lower Cape Fear in Wilmington is celebrating their 25<sup>th</sup> anniversary as a club. They were chartered on August 27, 1988. 25 years as an Exchange Club is quite a milestone, and I hope you will join me in congratulating them for their dedication and success.

In the past I have served on the National Growth Committee and I have been asked to serve again along with your Dan Wakeley this year. Thirty-four men and women have joined Exchange because of my invitation to them, two in the last two weeks, and I was the New Club Builder for two new clubs in South Carolina. I only mention this because it is important for you to know that I understand the necessity of growing Exchange. Don Wright's "Just One More" approach is fantastic. If each of us committed to bringing in "just one more" member we would double in size. It's a great concept and one that will get us all moving in the right (Wright) direction. Let's get it done and make Exchange better for everyone. Thanks for all you are doing and I hope to see you all in Hillsborough. Thanks for all that you do for Exchange,

Dan McQueeney

**North Carolina District Shows Southern Hospitality!**

Below, left to right: Dan Wakeley; Guilford Co. Sheriff honor guard; Sue Liles sees double Time Out Teddies!

In the parade of state flags, NC District President Dan Wakeley carried the NC flag, followed by eight CAP center flags carried by NC CAP directors. The opening entertainment was hilariously entertaining with a great southern comedian MC, a prolific impressionist that took us though Hollywood who's who; a musical juggler that amazed by bouncing balls on a floor keyboard to play songs perfectly; and a ventriloquist. The Convention ended with the Celebration Banquet honoring National President Lou Molitor and First Lady Patti. Lou's children, Andy and Samantha, were also present.

Every Exchangite in the hotel turned out to welcome a National Guard battalion back home from Afghanistan.
