PREFACE

General

This directory lists the name, address and phone number of all District Exchange officers, directors and committee chairpersons, as well as North Carolina District Foundation Board personnel for the 2016-2017 year and Past District Presidents.

Each Exchange Club within the North Carolina District is listed with the name, address, telephone, and e-mail information for the club's president, president-elect, secretary, and treasurer as reported to National Exchange.

This directory is provided as a resource to all district personnel, club presidents and secretaries; however, it is only as accurate as the information provided. If you have personnel changes, changes in the address or phone numbers please notify National Exchange and the district secretary in writing immediately.

NOTE: A copy of this directory is furnished to each board member. The directory will be available on the North Carolina District website and clubs are encouraged to print copies from that document.

If you are unable to fulfill your term of office, please turn over all Exchange Club related materials to your successor, or other club officer, with an explanation as to what you are turning over and what should be done with it. This is necessary to ensure consistency and smooth transition.
